2016 ALA Design Awards

2016 ALA Design Awards

Forty projects were recognized by our judges in the 2016 ALA Design Award Program for their outstanding achievements as a **Gold Medal, Silver Medal, and Award of Merit**. New this year were two winners of the **President's Award of Recognition** selected by the ALA President in addition to projects awarded by the jury. The top honor, the **Don Erickson Presidential Award**, was announced at the reception held at Drury Lane in Oakbrook Terrace, IL.

Howard Hirsch, ALA, AIA, LEED AP of Hirsch Associates served as jury chairperson. **Matthew Kramer, ALA** of Matthew Kramer Architects and **Lucas Confalonieri** were assistant chairpersons.

ALA wishes to thank the following judges for their time and dedication to the program and profession:

David Genc, AIA -
Director of Design
at Hirsch Associates,
Chicago, IL

Thomas J. O'Connell Jr., ALA, AIA, LEED AP - President and a Founding Principal of Partners in Design Architects, Kenosha, WI and Riverwoods, IL

Mark Paschke, ALA, NCARB -

Architects,
Milwaukee, WI

Lenore Weiss, AIA, LEED AP - founder
of Lenore Weiss
Studios, Chicago, IL

Corey Zussman, ALA - Director of
Quality Assurance
for Pepper
Construction

Don Erickson Presidential Award

747 N. Clark Street Chicago, IL

Category: Residential 2

Firm: Sullivan Goulette Wilson Ltd.

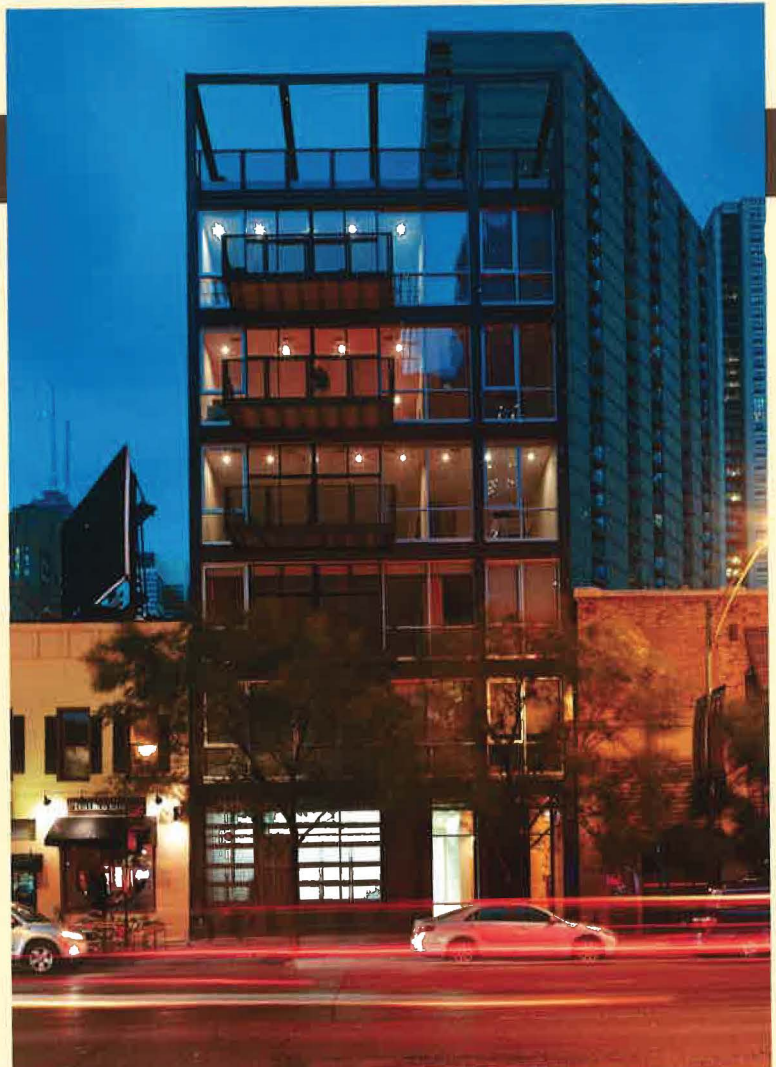

Designer: Sullivan Goulette Wilson Ltd.

Owner: Ranquist Development Group

Contractor: Maris Construction

Photographer: Ranquist
Development Group

Description: A collaboration between Sullivan, Goulette & Wilson and the Miller Hull Partnership, 747 North Clark Street transformed the derelict shell of a failed development into a Mies-inspired steel clad building with 6 full-floor luxury condominium units.

Laurens Residence Chicago, IL

Category: Residential 1

Firm: Sullivan Goulette Wilson Ltd.

Designer: Sullivan Goulette Wilson Ltd.

Owner: Khadija and Xavier Laurens

Contractor: Crescent Rock, Inc.

Photographer: Sullivan Goulette Wilson Ltd.

Description: This new home in Chicago was designed for a young couple who requested a Corbusian exterior, with a counterpoint of warmth in colors and materials. The entire second floor living space opens to a 2,600 sf roof garden, complete with lawn and trees.

Lincoln Elementary School Chicago, IL

Category: Institutional

Firm: Muller & Muller, Ltd.

Designer: David Steele

Owner: Chicago Public Schools

Contractor: J.V.

Blinderman & Meccor

Photographer: John Pabst

Description: Muller+Muller provided full architectural services for the renovation and addition of the Lincoln Elementary School. The landmark district required the new three story addition to be carefully designed as a contemporary wing to compliment and respect the existing structure.

Merit Awards

Mayo Clinic Dan Abraham Healthy Living Center Rochester, MN

Category: Institutional

Firm: Dewberry (BWBR Architect of Record)

Designer: Kalman Nagy (Dewberry), Steve Berg (BWBR)

Owner: Mayo Clinic

Contractor: Alvin E. Benike, Inc.

Photographer: Farm Kid Studios

Description: Mayo Clinic's recent vertical expansion of the Dan Abraham Healthy Living Center contains five levels of new program space aimed at preventative healthcare which rises above the existing four level highly utilized employee wellness center.
